Re: Dodd-Frank Act (Conflict materials)

New Tech Plastics warrants that all polyethylene items manufactured from resins that are FDA approved for food contact are comprised of domestically manufactured hydrocarbon polymers and **do not contain any of the following materials, other than in unintended trace amounts:** *columbite-tantalite (coltan, niobium, tantalum) cassiterite (tin), gold, wolframite (tungsten), and their derivatives.*

Sincerely,

NEW TECH PLASTICS

A handwritten signature in black ink that reads "William G. Weikert". The signature is written in a cursive style with a large, prominent initial "W".
